A harmonious blend of selected herbs and roots, which come together in a unique balance of intensity and freshness. Gentian, rhubarb, wormwood, citrus peel and fine botanicals create an elixir with an enveloping aroma and a strong flavour, made surprisingly fresh by a delicate hint of mint. With its low alcohol content of only 20°, Agile lives up to its name: pleasant and light to drink, without compromising on character. It can be enjoyed neat, on the rocks, or as a distinctive ingredient in the most sophisticated cocktails. Perfect as a digestif, it elegantly accompanies the end of a meal and transforms every occasion into an experience of pleasure. The result of a carefully guarded exclusive recipe, Amaro Agile is the result of a slow infusion process that enhances the natural virtues of medicinal herbs. An agile, intense and seductive balance: tradition and character in every drop.
