Domaine
DEREY
FRÈRES

Ownership/Founders Family Derey / Albert and Maurice Derey

Start of Activity 1650

Vitiviniculture Organic

Hectares 22

Bottles produced 60.000 / 80.000

BOURGOGNE MONTRE CUL

100% Pinot Noir

Production area: Dijon area

Terrain: ocre e sabbioso facile da lavorare, ben drenato sensibile alla siccità

Harvest: manual

Vinification: 20% whole bunches depending on the ripeness of the year

Refinement: 12 months in oak barrels, without new wood

Color: deep ruby red

Fragrance: notes of ripe black cherry

Flavor: Very pleasant and well-rounded, without aggressiveness, but with good aromatic persistence, leaving very present aromas of red fruits

The Domaine Derey Frères has never had a more apt name. The three brothers Maxime, Romain and Pierre-Marie now represent the sixth generation, more committed than ever to their terroir, driven by a deep passion and an unbreakable bond with their homeland. The vine inspires humility, dedication and family work: the three brothers spend most of their time with their feet on the ground and their hands in the cellar. The Domaine covers 20 hectares, spread over a series of climats stretching from Dijon to Gevrey-Chambertin, forming a mosaic of unique parcels. In addition to the famous Clos des Marcs d'Or, the estate's prestigious single vineyard, the Montre Cul and Les Valendons climats are eminent ambassadors of Dijon's viticulture, bearing witness to a centuries-old history and heritage that the brothers proudly preserve. In 2020, the Domaine embarked on a determined conversion to organic farming. Through the targeted use of treatments, ploughing and the addition of natural nutrients, the vitality of the soil is preserved. Vinification is meticulous, with slow maceration for reds and gentle pressing for whites, so as to best express the character of each parcel. The result is white and red wines that reflect the three brothers: instinctive, direct and spontaneous, offering immediate pleasure, with fruit that dominates without severity, combined with an appealing freshness and excellent ageing potential.
