**Terrain:** calcareo-argilloso, ricco di fossili marini, costituito da uno strato di 20-40 cm di argilla rossa

**Harvest:** manual, only berries 100% affected by botrytis

**Vinification:** very slow in barriques

**Refinement:** in barriques

**Color:** amber-golden yellow

**Fragrance:** floral bouquet (acacia, lime blossom), aromas of exotic candied fruit, citrus, pineapple

**Flavor:** concentrated and elegant, enriched by a note of freshness characteristic of Sauternes

Producing wines since 1840, Maison Dourthe is passionate about the finest terroirs of Bordeaux. A passion for viticulture that follows the rhythm of the soil and microclimates, for winemaking that respects the character of each terroir and each grape variety emblematic of the region, and for a blending philosophy that is creative, sincere and daring. Through its eight châteaux, Maison Dourthe invests in diverse and rich soils, striving to bring them to the top of their appellation. In this quest to sublimate the terroirs, its teams innovate and create blends of wines from estate-grown grapes that go beyond the classic codes of Bordeaux. And it brings its partner winegrowers with it, committed to offering the best of each location and each grape variety. In this way, Maison Dourthe produces great, authentic wines that freely express the full personality of the region's terroirs, while respecting the environment, biodiversity and people, in order to offer as many people as possible moments of authentic, shared pleasure as they discover the diverse world of Bordeaux.
