Start of Activity 1999

Vitiviniculture Sustainable

Hectares 20

Bottles produced 150.000

GRAPPA TERRA BOLGHERI AGED
distilled by Pilzer in Altavalle

Production area: Bolgheri (LI)

Alcoholic Grade: 43% vol

Michele Scienza is inside the world of wine since his childhood: the great-grandparents and the grandparents were vinegrowers in Trentino, his father Attilio a viticulture professor. After a winemaking education, in 1998 he had the opportunity to start a new life-project in Bolgheri, together with his wife Annalisa: the idea was to create a completely sustainable artisan winery. The connection with Bolgheri is thanks to his father Attilio, who studied and followed the area's winemaking evolution over the last 30 years. Knowing every inch of Bolgheri, he found this small estate, hidden among woods and hills, located in the greatest area of the appellation and devoted to viticulture since the mid-nineteenth century. Michele's work is dedicated to the production of territory wines, exploring ancient conceptions of wine-making. He personally takes care of vineyard and cellar with sensibility and skills, focusing the vinification on removing rather than adding. Today he is one of the most original interpreters of this area, with elegant and fine wines, an extraordinary personality which perfectly represent Bolgheri's terroir.
