Estate founded in 1996 by H. William Harlan and his winemaker Bob Levy, Bond responds to the vision of creating wines that reflect the idea of the "Grand Cru" within a precise philosophy of thought, a team, a brand. Sourced from carefully selected Napa Valley hillside estates, Bond's pure Cabernet Sauvignons vividly convey the distinctive characters of their native terroirs. The Harlan family and its team of winemakers selected from more than 100 estate vineyards the five sites that became part of Bond with a joint commitment to produce unique expressions of their terroirs-Melbury, Quella, St. Eden, Vecina and Pluribus.
