Villa Minelli

Ownership/Founders Edizione Property / Luciano Benetton

Start of Activity 2006

Vitiviniculture Traditional

Hectares 10

Bottles produced 80.000

MERLOT VENETO IGT

100% Merlot

Production area: municipalities of Ponzano Veneto and Villorba

Terrain: franco-argilloso con presenza di ferro, ricco di scheletro

Harvest: manual cassette with grape selection in the vineyard

Vinification: grapes are sorted on a vibrating table, destemmed and cold pre-stemmed. Fermentation at controlled temperature in horizontal macerators. Maturation in stainless steel tanks on fine lees with regular bâtonnage until bottling

Refinement: at least 6 months in bottle

Color: bright ruby red

Fragrance: small berries, especially blackberry, red rose, sweet spices, tobacco, incense; 'mineral' finish with hints of graphite

Flavor: enveloping softness on a warm background; gradually opening to a balanced savouriness and a fresh finish on fruity notes

Alcoholic Grade: 12,5% vol

Villa Minelli was born in 2006 from the desire to vinify on its own the grapes of the vineyards of three Venetian Villas located in the Treviso villages of Ponzano and Villorba. After the first years of testing the local vines and the "individual terroirs", with 2012 the journey begins. Fresh, IMMEDIATE wines, but above all children of their land, interpreted by a team of young and talented oenologists and agronomists. The great peculiarity of this company is that a part of the vineyards, as well as the cellar, are within a large property where there are warehouses and logistics depots of a large manufacturing company. The other vineyards are also planted in special places, as they are an integral part of the park of three beautiful Venetian Villas. This does not prevent the production of high quality grapes from which we obtain wines, capable in the reds of good ageing, as in the case of Merlot Vecchie Vigne, and therefore perfect ambassadors of the Marca Trevigiana.
