Domaine Gilles Guerrin is located in Vergisson, in the heart of the Mâconnais crus: this small village is nestled between the famous limestone rocks of Vergisson and Solutré. Gilles Guerrin and his wife Sylvie settled here in 1984 where they now cultivate, through sustainable viticulture, 13.5 hectares in 4 appellations: Mâcon-Charnay-Les-Mâcon, Mâcon-Vergisson, Saint-Véran and Pouilly-Fuissé. Since July 2017, one of their daughters, Blandine, has joined them, thus ensuring the continuity of the Domaine, which works by reducing interventions in the vineyard with more frequent soil work that allows it to produce sincere wines that fully represent the Mâconnais area.
