Vineyards certified organic, continuous and passionate work in the research of the smallest nuances of each single parcel: this is Domaine Laporte. Feather in the cap is the Domaine du Rochoy with its 8.5 hectares all of silex, in an area already known since the Roman times, in the village of Bannay. Laporte, while founded in 1850, has been able, through the valuable work of the Bourgeois family who bought it in 1986, to labor the various terroir where the difference of the soil is very marked. Fine and elegant wines worthy ambassadors of Loire Terroir, but especially perfect icons of Sancerre and Pouilly-Fumé, where the facets of each terroir are perfectly recognizable in both scents and aromas, exalting the extraordinary character of Sauvignon.
