Vineyards certified organic, continuous and passionate work in the research of the smallest nuances of each single parcel: this is Domaine Laporte. Feather in the cap is the Domaine du Rochoy with its 8.5 hectares all of silex, in an area already known since the Roman times, in the village of Bannay. Laporte, while founded in 1850, has been able, through the valuable work of the Bourgeois family who bought it in 1986, to labor the various terroir where the difference of the soil is very marked. Fine and elegant wines worthy ambassadors of the Loire, but above all perfect icons of Sancerre and Pouilly Fumé, where the smallest facets of the individual terroirs are perfectly perceptible in both perfumes and aromas, thus enhancing the extraordinary Sauvignon grape.
