Harvest: manual

Vinification: Fermented in stainless steel tanks, classic

maturation

Refinement: steel
Color: giallo paglierino
Flavor: excellent drinkability
Alcoholic Grade: 12,5% vol

Thirty-five hectares of organically and biodynamically farmed vineyards and a tireless quest for improvement and perfection characterize the work of the Sattler family of Gamlitz, Styria. This wine-growing region with more than 2,600 hectares under vine is the southernmost in Austria and has Sauvignon as its main grape variety. The year 2021 is an important milestone for Sattlerhof because it is the first vintage certified respekt-BIODYN, an association for biodynamic viticulture founded in 2007 and based in Austria. The company's most important cru such as Kranachberg, Pfarrweingarten, Kapellenweingarten and Sernauberg are characterized by quartz and limestone, depending on their location. The low yields of the old vines, steep slopes, hand-harvesting, selection of grapes in small boxes, and gentle pressing and handling during winemaking result in authentic wines with high aging potential. Willi Sattler's legacy is in good hands, entrusted to sons Andreas and Alexander. The name Sattlerhof is now enshrined as a guarantee of high quality and exceptional experience, a symbol of Styria with its elegant, precise, sincere wines in pursuit of essentiality.
