Vino (BZ)

WEINGUT | TENUTA

TIEFENBRUNNER

Schlosskellerei Turmhof

Ownership/Founders Christof Tiefenbrunner / Herbert
Tiefenbrunner

Start of Activity 1848

Vitiviniculture Traditional

Hectares 25 + 55

Bottles produced 600.000

TARDUS GEWÜRZTRAMINER ALTO
ADIGE V.T.

100% Gewürztraminer

Production area: Hillside vineyard above Castel Turmhof in
Niagara. Southern and southeastern exposure at 250 to 350 m
above sea level.

Terrain: ghiaia calcarea di sedimenti morenici

Harvest: manual

Vinification: the harvest takes place in November when the
berries are covered with a thin layer of noble rot ('botrytis
cinerea') that causes a natural concentration of the juice.
Fermentation takes place for more than two months, one part in
steel barrels and another part in small French oak barrels

Refinement: after an additional year follows bottling of the
young wine and aging in the bottle for another two years

Color: golden yellow with amber hues

Fragrance: seductive on the nose with hints of rose petals,
dried fruits and citrus fruits

Flavor: Intense and structured on the palate, it convinces with
a good harmony between sweetness and acidity. Fine honey
flavor, intense and juicy. Complex, smooth and harmonious
aftertaste

Alcoholic Grade: 12.5% vol

Tiefenbrunner fully represents the history of winemaking in South Tyrol: the "Lenticlar" estate is the first mentioned in official records dating back to 1225; in 1848, the Turmhof was entered in the commercial register as a winery, making it one of the oldest in all of South Tyrol. Herbert Tiefenbrunner, who approached the art of winemaking at the age of 15, started his own bottling business in 1943, aided by his wife Hilde. In 2000 Christof and his wife Sabine, the fifth generation of the Tiefenbrunner family, took over full management of the estate and today they are also supported by their two children Anna and Johannes. The estate covers 25 hectares in Niagara, Cortaccia and Magrè, between 250 and 1,000 meters above sea level; it also can rely on grapes from 55 hectares of historic vintners. The mild climate, slightly clayey soils with a high lime content are the perfect basis for vineyard development that are located on the western slope of the Bassa Atesina, benefiting from optimal microclimates and exposures. The flagship of the winery is the vineyard at 1,000 meters on Mount Favogna where the Feldmarschall von Fenner, the highest Müller-Thurgau planted vineyard in Europe, originates, confirming Tiefenbrunner's great skill and foresight as one of South Tyrol's leading wine interpreters.
