## VERDICCHIO CLASSICO SUPERIORE DEI CASTELLI DI JESI SAN MICHELE

**100% Verdicchio**

**Production area:** San Michele vineyard in Cupramontana, between 315 and 290 metres above sea level.

**Terrain:** medio impasto con prevalenza di argilla e calcare e poggia su un sottosuolo di marne e arenarie

**Harvest:** manual

**Vinification:** whole cluster soft pressing with removal of the flower must only, static decantation, fermentation with indigenous yeasts

**Refinement:** on the lees in cement with frequent batonnage for 7 months and then at least 9 months in the bottle

A reality in its infancy, born from the passion for the territory of Francesco, who in 2021 decided to dedicate himself to the wine business and transform the family's small agricultural company. Hence the decision to plant a new vineyard on his own land, purchase an already productive one and take over both the premises and the vineyards of a small winery in the area. This is how Campanelli Vini was born, a project aimed at investigating the geological and pedoclimatic peculiarities as well as the characteristics of Verdicchio in the Castelli di Jesi area. A promoter of an association of producers working on a zoning project, Francesco has set up production on a line of different crus, named after the contrada of origin of each vineyard and located in different municipalities: currently San Nicolò in the municipality of San Paolo in Jesi, Palombare in Serra San Quirico and San Michele in Cupramontana.
