Stephan Rohregger crowned his dream when in 2019 he succeeded his father Roland in managing the vineyards of Prälattenhof, the small family farm in Caldaro. The property consists of two different areas: Pianizza di Sotto in Caldaro, on morainic-calcareous and gravelly soils at 440 meters planted with Schiava (90 years ago), Pinot Grigio and partly Sauvignon; and then at Corona, above Cortaccia, at 800 meters on gravelly and calcareous soils with a tongue of clay, planted with Pinot Bianco, Sauvignon and Pinot Nero. The soil and the altitude of these vineyards give great depth and intensity to the resulting wines. The estate's first vintage, the 2019, is the result of Stephan's extensive experience gained at Tiefenbrunner where he has been the winemaker for many years. Supported by Tanja, his wife, perfect manager of the estate, Stephan confirms himself among the rising stars of Alto Adige through fine and elegant wines, perfect expression of their terroir.
